## RF-660 FM/AM Radar-matic touch 'n tune portable radio

*Just touch the lever and the next station comes in loud and clear...automatically!*

Super-sensitive, remarkably powerful. Features electro-mechanical automatic tuning. No fumbling, no twisting, no dialing. Just a fingertip touch of the lever brings in the next station broadcasting . . . perfectly tuned—no adjustments needed even in the dark! Powerful 3½" PM dynamic speaker brings the sound to you with amazing fidelity. Automatic frequency and volume control prevent AM and FM fade-out. Operates on four "AA" penlight batteries.
